Better Cooking by Electricity

Women have long known that electric cooking is cleaner, that it banishes all the dust and ashes of coal and wood and soot and fumes of gas. They have known that it makes the kitchen cooler; the air purer; that is the most convenient way to cook. Now they have the word of the women who stand for the most scientific cooking methods known, that electric cooking produces better results than any other means.

Let us demonstrate the various sizes of ranges and refer you to the satisfied electric range users.

AIM TO GET WORLD TRADE.

Germans Realize Kultur Failed to Grasp Mentality of Other Peoples. London, July 24.—Hamburg, Germany's greatest commercial port and one of its three free cities, is preparing desperately for the trade war after the present conflict.

Essary to offset the enmity of the entire world against everything German. Their latest step is the proposed establishment of a "scientific institution for the study of foreign countries" at Hamburg.

That they realize their mistakes of the past and are willing to do anything to eradicate them is brought out in the prospectus of this scheme which in part reads:

"This war has brought with it an appalling revelation of our ignorance of foreign countries. This ignorance has inflicted heavy political wounds on our country, and has often been the cause of our diplomatic failures. We proved that even the culture and psychology of our own allies was unfamiliar to us, to say nothing of those of our enemies.

"Such a state of things must not recur. Our people, when they want to inscribe world policy on its banner, must establish a thorough system of study of foreign countries. In fact, the peaceful reconquest of the world's market will not be accomplished without study."

TIME IS THE TEST.

The Testimony of Alexandria People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

Alexandria people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? Below is testimony such as the sufferer from kidney ills is looking for.

Mrs. G. W. Davis, 107 Prince St., Alexandria, says: "Doctors treated me for along while and pronounced my case of kidney trouble a severe one. Often I felt so listless and nervous, I almost gave up hope. Doan's Kidney Pills brought me relief after everything failed. Doan's strengthened my kidneys and removed the trouble."

THREE YEARS LATER Mrs. Davis added: "I still take Doan's Kidney Pills occasionally when my kidneys don't act as they should. I always get quick relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Davis had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

NEWS OF THE DAY.

Repairs that the Germans had made to the mole at Zeebrugge and the locks there have been destroyed again by Allied airmen, according to the Telegraaf of Amsterdam. Two torpedoboats have been sunk in the harbor, it adds, and the canal remains closed. The German observation tower at Leisseghe also was hit by the airmen. Many casualties among the Marines at this naval base and among civilians are reported. Lissewege has been evacuated partly, but thousands of men from Hoyst, Blackenburgh, Zeebrugge and Ghent have been forced to work in the neighborhood and on the mole.

Four men landed in a dory at Cape Porpoise near Kennebunkport, Me., reported that their fishing schooner, the Robert and Richard, of Gloucester, had been sunk by a German submarine on Cashe Bank, 60 miles southeast of Cape Porpoise, Monday morning. Other dories were coming in behind them, they said.

Field Marshall von Hindenburg, chief of the German general staff, is seriously ill and has taken no part in military operations of the present year, according to information from Berlin news. At great personal effort, the message adds, the field marshal was present at a few of the receptions, but went through the functions without speaking. He is quite incapable of writing, the advices declare.

WEALTHY ARMENIAN SHOT.

Discharged Porter, Kills Fifth Avenue Merchant.

New York, July 24.—Gulbenkian, a wealthy Armenian rug dealer, with a shop on Fifth avenue, was shot and killed late yesterday by a porter in his employ, who escaped. Serop Gulbenkian, nephew of the murdered man and a member of the firm, was dangerously wounded.

Mr. Gulbenkian was known among his fellow-Armenians as a philanthropist, and he is reported to have given more than \$1,000,000 to Armenian charities and for the care of Armenian refugees.

The porter, who had been discharged, but who had been given a letter of recommendation, shot the merchant as he extended his hand to bid him good-by. The nephew was wounded when he went to his uncle's aid.

The firm of which Mr. Gulbenkian is head carries a stock of Oriental rugs valued at \$1,000,000.

The Italians are continuing their advance in Albania. The war office announces that Italian troops pushing along the crest of Malisloves captured Hill 900. Farther to the east French parties occupied the heights on the left bank of the River Holta.

The navy personnel today is ten times greater than it was when this country entered the war. The number of officers and enlisted men has passed well beyond the half million mark, and by the end of the year it will reach 700,000.

A NERVOUS WRECK

From Three Years' Suffering. Says Cardui Made Her Well.

Texas City, Tex.—In an interesting statement, Mrs. G. H. Schill, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work."

I just wanted to sleep all the time, for that was the only ease I could get, when I was asleep. I became a nervous wreck just from the awful suffering with my head.

I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties.

I was not able to do anything until I took Cardui. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent, for I have never had any headache since taking Cardui.

Nothing relieved me until I took Cardui. It did wonders for me."

Try Cardui for your troubles—made from medicinal ingredients recommended in medical books as being of benefit in female troubles, and 40 years of use has proven that the books are right. Begin taking Cardui today.
